

## Final Order of Adoption

### Technical Bulletin 603 - Mattress Flammability Standard

#### 1. Amend section 1371 of Title 4 of the California Code of Regulations to read as follows:

##### 1371. Mattresses-Smolder Resistance and Open-Flame Resistance

(a) Mattresses, including futons and hybrid flotation sleep systems containing a quilted fabric cover over a traditional water-filled bladder, shall meet the requirements set forth in the United States Government Standard for Flammability of Mattresses 16 CFR 1632, "Standard for the Flammability of Mattresses and Mattress Pads".

(b) Mattresses, including futons, and mattress/box springs sets, shall meet the open-flame resistance requirements of California Technical Bulletin 603, titled "Requirements and Test Procedure for Resistance of a Mattress/Box Spring Set to a Large Open-Flame", dated July 2003.

(c) Mattresses, including futons and mattress/box spring sets, shall meet the requirements set forth in the United States Government Standard for Flammability of Mattresses 16 CFR 1632, "Standard for the Flammability of Mattresses and Mattress Pads", and 16 CFR 1632.31, subdivision (b)(3) pertaining to labeling, which requires that each mattress, including futons and mattress/box spring sets or mattress pad subject to 16 CFR 1632 shall bear a permanent, accessible, and legible label containing the month and year of manufacture and the location of the manufacturer.

(d) In addition to the requirements set forth in subsection (c) of this section, all products which meet the requirements of Technical Bulletin 603 shall have imprinted on the law label immediately following the statement required by Section 1126(d) (6), the following statement: "This product meets the requirements of the California Bureau of Home Furnishings Technical Bulletin 603".

(e) For mattresses, futons, and box spring sets and similar items.
